

Timeline: The Woodlands Governance

Phase I: 2003-2004

The Woodlands Governance Process Committee was formed to develop an action plan and range of governance alternatives to explore with the public and stakeholders.

Phase II: 2004-2006

The Woodlands Governance Steering Committee (GSC) was organized. Currently, the GSC is engaged in an effort to evaluate the community's preferred governance option(s) and to recommend a governance option(s) that would be viable and effective for The Woodlands.

Phase III: 2006 and beyond

Implementation of the preferred governance option(s) would ensue.
